HP 2311x 58.4 cm (23") Diagonal LED LCD Monitor

- **A dazzling visual experience**

The HP 2311x will dazzle you with its LED backlighting, creating deeper blacks with high dynamic contrast, brilliant colours and sharper clarity. And you'll enjoy its exceptionally thin design, which looks good on any desktop.

- **A variety of environmental solutions**

Go greener! This monitor has low power consumption LED technology, a thin profile and a detachable base that allows thin packaging and a lower carbon footprint during transport. Plus, it has mercury-free backlighting and arsenic-free display glass.

- **Connect easily to your notebook**

The HP 2311x 58.4 cm (23") LED Monitor can be easily connected to your HP PC or notebook, using VGA and HDCP supported DVI-D and HDMI inputs. Take in the sharp Full HD view while surfing the Internet, working on projects or watching films and videos.

- **Stunning screen appeal and ultimate comfort**

No need to get a stiff neck: the monitor's stylish, sleek exterior has tilt and slide adjustment for a comfortable view, while you're working, editing videos or surfing the Internet.
